DECISION ON ATTORNEYS' FEES AND COSTS¹

Dorsey, Chief Special Master:

On December 29, 2015, petitioner filed a petition for compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. §300aa-10, *et seq.*,² (the "Vaccine Act"). Petitioner alleged that as a result of receiving an influenza ("flu") vaccination on October 26, 2014, she suffered an injury to her right shoulder. On May 27, 2016, the undersigned issued a decision awarding compensation to petitioner based on the respondent's proffer. (ECF No. 15).

On June 10, 2016, petitioner filed a motion for attorneys' fees and costs. (ECF No. 19). Petitioner requests attorneys' fees in the amount of \$12,284.00 and attorneys' costs in the amount of \$553.84 for a total amount of \$12,837.84. *Id.* In accordance with

¹ Because this unpublished decision contains a reasoned explanation for the action in this case, the undersigned intends to post it on the United States Court of Federal Claims' website, in accordance with the E-Government Act of 2002. 44 U.S.C. § 3501 note (2012) (Federal Management and Promotion of Electronic Government Services). In accordance with Vaccine Rule 18(b), petitioner has 14 days to identify and move to redact medical or other information, the disclosure of which would constitute an unwarranted invasion of privacy. If, upon review, the undersigned agrees that the identified material fits within this definition, the undersigned will redact such material from public access.

² National Childhood Vaccine Injury Act of 1986, Pub. L. No. 99-660, 100 Stat. 3755. Hereinafter, for ease of citation, all "§" references to the Vaccine Act will be to the pertinent subparagraph of 42 U.S.C. § 300aa (2012).

General Order #9, petitioner's counsel represents that petitioner incurred no out-of-pocket expenses. *Id.*

On June 21, 2016, respondent filed a response stating that she "does not object to the overall amount sought, as it is not an unreasonable amount to have been incurred for proceedings in this case to date." (ECF No. 20). She added, however, that the "lack of objection to the amount sought in this case should not be construed as admission, concession, or waiver as to the hourly rates requested, the number of hours billed, or the other litigation related costs." *Id.*

The Vaccine Act permits an award of reasonable attorneys' fees and costs. § 15(e). Based on the reasonableness of petitioner's request and the lack of opposition from respondent, the undersigned **GRANTS** petitioner's motion for attorneys' fees and costs.

Accordingly, the undersigned awards the total of \$12,837.84³ as a lump sum in the form of a check jointly payable to petitioner and petitioner's counsel Maximillian J. Muller.

The clerk of the court shall enter judgment in accordance herewith.⁴

IT IS SO ORDERED.
